"Mirror" Dedication

Miss Margaret Nolan has been connected with Waltham High since 1942. She was born and educated in Waltham, and upon graduating from Lasell Junior College attended the Boston University College of Practical Arts and Letters, where she specialized in the teachers' training course. Furthering her studies, she received a Master of Education degree from the Boston University School of Education.

At her first place of employment after graduation, she taught shorthand and typewriting at the Wyndham Secretarial School. After several months serving in this capacity, she acquired a position at Waltham High School as an instructor of bookkeeping and typewriting in all classes of the business curriculum.

In addition to teaching, Miss Nolan has been a member of the Waltham Educators Association, the Massachusetts Teachers Association, the National Education Association and the Professional Business Women's Club.

Miss Nolan gives nearly all of her spare time to the students at Waltham High; even her Saturdays and Sundays are spent working to help the students attain $40,000 worth of scholarships a year. This is just a part of her job as assistant to the Guidance Director. We are proud to dedicate the 1976 ''Mirror'' to Miss Margaret Nolan.

"Mirror" Dedication

Mr. John J. Regan, born in Waltham, grew up in Newton where he attended Newton Catholic High School. He received his Bachelor of Arts degree and his Master of Arts degree from Suffolk University, and continued his graduate studies at Boston State, Framingham State, Salem State, and Boston University.

In addition to serving the students of Waltham High School, he was an active member of the Executive Board and Evaluation Committee, as well as serving as Vice President of the Waltham Educators Association and President of the Salary Committee for Waltham School System.

Mr. Regan has also dealt personally with many Waltham students. During his eight years as a math teacher in the Waltham School System, he participated in and directed many extracurricular activities. For ten years he was the coach for the Junior Varsity football team at Kennedy Junior High. He was a Driver Education teacher for five years, a baseball umpire for four years, and was also the advisor for the Waltham High School talent show for three years.

More recently, Mr. Regan has served as Assistant Housemaster for three years and for the past three years was the Housemaster for our class. As a token of our appreciation and gratitude to a man who has done everything for our class, we dedicate the 1976 edition of the Waltham High School "Mirror."

Teacher Recognition

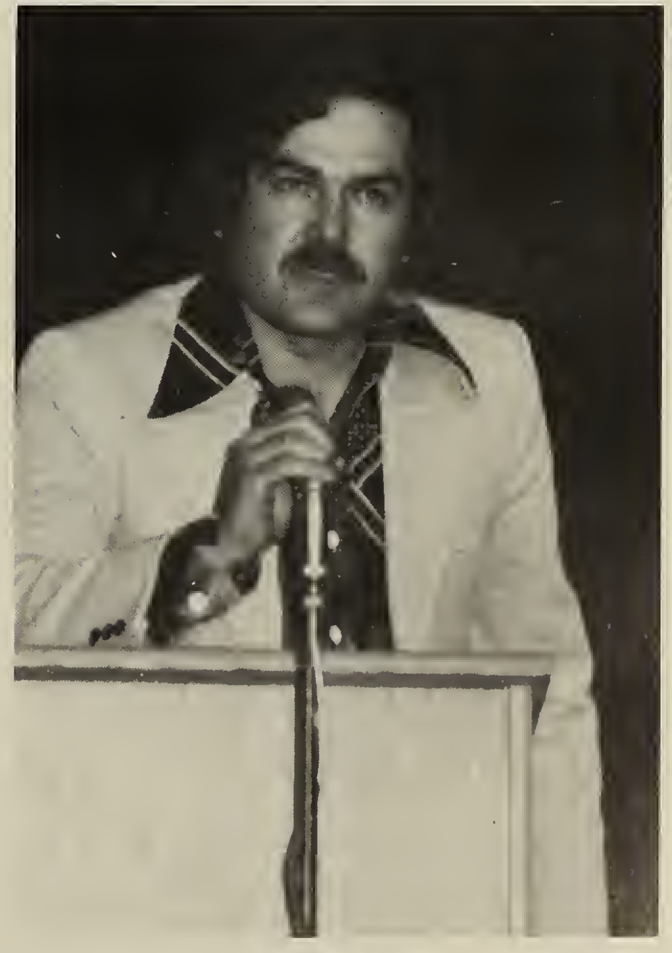
Mr. Stephen Grant has been teaching Earth Science and Astronomy at Waltham High for eight years. A graduate of Waltham High, he received his Master's degree from Boston State University. Aside from his regular scholastic duties he is a former Driver Education instructor, and is now a Driver Road instructor and advisor to the Student Council.

Mr. Thomas Leverone has been a Math teacher at Waltham High for eight years. He graduated from Arlington High School and received his Bachelor of Science and his Master's degrees from Boston College. As well as his job as a Driver Road and summer school teacher, he is also advisor for the National Honor Society.

Mr. James McDonnell has been teaching Math at WHS for ten years. A graduate of Waltham High, he received his Bachelor of Science degree from Mass. College of Pharmacy. Every year Mr. McDonnell runs the ski trip to Europe and the famous Bermuda trip. His most time consuming efforts involve his job as advisor for the Waltham High School yearbook.

Mr. Charles Rezzuti has been teaching Earth Science and Physical Science at Waltham High for five years. After graduating from Newton South High School he attended Boston State University, where he received his Bachelor of Science degree. Mr. Rezzuti has spent a tremendous amount of time both in school and out working with the students of Waltham High, and his dedication has not gone unrecognized.

Mr. Jerry Nelson, a Physics teacher at Waltham High for the past eight years, graduated from Newton High and then from Boston State University, where he received both his Bachelor of Science and Master's degrees. Through the years Mr. Nelson has put in a tremendous amount of time both during and after school to work with students, and has shown an overwhelming amount of patience and dedication.



Mr. Harold Walker has been teaching History and Sociology at Waltham High for eight years. A graduate of Newton South High School, he received his Bachelor of Arts and his Master's degrees from Boston University. As part of his extracurricular activities Mr. Walker is a Driver Road instructor and a member of the Executive Board of Teachers and of the Faculty Senate.

Special Recognition

Mr. Leon Meader

The graduating Class of 1976 would like to give special recognition to a man who will be leaving our school after many years of dedicated service to the students of Waltham High School.

Mr. Leon Meader has been a Math teacher at Waltham High for eighteen years. Before this he taught at Higgins Classical Institute in Maine for nineteen years and was Headmaster there for four years.

He graduated from Wheaton College in Illinois, and received his Master's degree from the University of Maine.

We will all miss Mr. Meader's friendly smile and his familiar greetings in the halls. And we wish to say thank-you and a sad good-bye to a man who has come to be one of the favorites of the Class of '76.

1976 "Mirror" Staff

I especially want to acknowledge the efforts of our two editors and the contributions they made to the 1976 "MIRROR."

Our editors were active in school activities. Bonnie was a Football Cheerleader, a member of Concert Choir, and participated in Senior Revue. Rhonda was a Basketball Cheerleader, co-captain of the Girls' Tennis Team, and participated in Senior Revue. Despite all their extracurricular activities they were both members of the National Honor Society, and each was awarded a scholarship at Graduation Exercises. These two young ladies will continue their education this September at Brandeis University.

What makes these accomplishments all the more commendable is the fact that all the yearbook work was done on free time or after school. At no time was class time used.

During Class Day Exercises Bonnie received the superlative "Did Most for the Class" and as a final tribute the Class of 1976 gave Bonnie and Rhonda a standing ovation. This says it all.

SAN FRANCISCO — At the same time she was hinting to police at plans to kill President Ford, Sara Jane Moore was feeding other law enforcement officials information on illegal weapons, the Associated Press has learned.

Mrs. Moore, a middle-aged mother with radical connections, continued her role as a government informer in the 24 hours before she fired a revolver at the President across a San Francisco street.

Although Mrs. Moore was picked up by police on a minor weapons charge and questioned by Secret Service agents Sunday evening, the night before the assassination attempt, she was not kept in custody.

The Agony of Angola

The civil war in Angola could have been one of those brutal but obscure jungle conflicts that flare up and sputter out largely unnoticed by the outside world. It is a clash of tribal loyalties and personal ambitions, only lightly varnished with modern ideologies. But as much by accident as design, the former Portuguese colony on the west coast of Africa has become an arena for international power politics, a murky battleground where black and white surrogate armies are on the march in a suddenly revived cold war between East and West. Almost overnight, Angola became a subject of widespread concern and heated debate last week. The most commonly expressed fear was that the war could yet turn into another Vietnam-style quagmire. The question was: whose Vietnam?

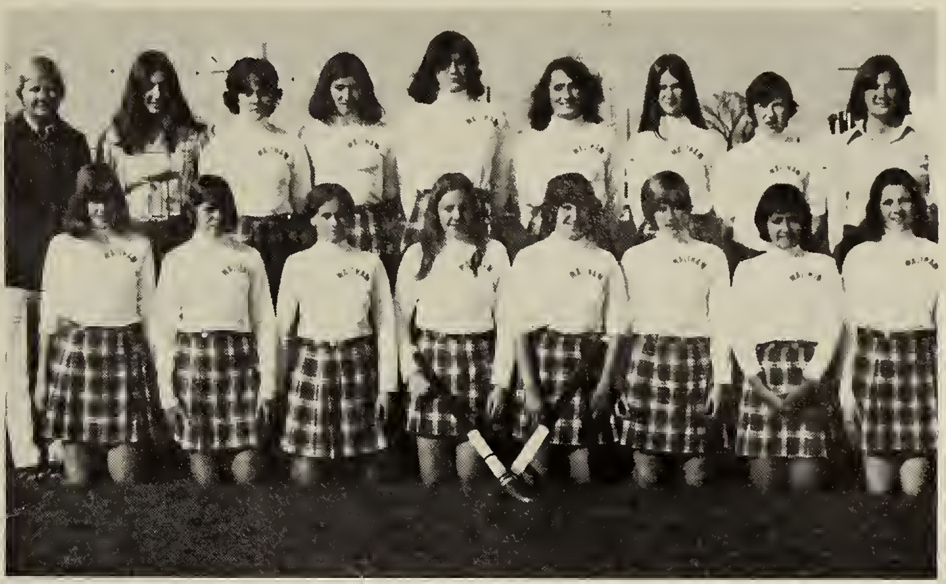
Field Hockey

The year 1976 marks the sixth year of existence for a WHS Girls' Field Hockey team. This year's team not only had a successful 5-4-3 season, but they also experienced a first. During the Newton game the girls became the first WHS field hockey team to have a boy as an opponent.

This years' team, when compared to the previous teams, scored the greatest number of goals. This statistic is due to the excellent scoring talents of seniors Carol Baxter, Marianne Corbett, and Elaine Rancatore. Although the team loses seven seniors this year, it is looking forward to another successful season in 1977.



ROW I: Barbara Walter, Barbara Lawton, Jane Olivio, Co-Capt. Dianne Manley, Co-Capt. Carol Baxter, Lynn Campana, Olivia Zano, Susan Huff. ROW II: Coach Isabel Allen, Paula Allia, Jane Kelly, Patty Perry, Marianne Corbett, Elaine Rancatore, Patty Carney, Nancy Huff, Coach Christine Molonea.

This year's team followed the WHS tradition of volleyball excellence. Much credit should be given to the girls, who are all juniors and sophomores. However, the fine coaching talents of Miss Castros can not be overlooked.

After finishing second in the Suburban League with a 12-4 record, the volleyball team went to the Eastern Mass. Tournament. Success prevailed during the play-offs, but the girls were defeated by Brockton, the eventual champions, in the semi-finals.

Recognition must also be given to this year's junior varsity with an 11-5 record.

Two teams of high achievement can be expected next year with the return of all of this year's players.

* Suburban League All-Stars

This year's team was one of great spirit, and was reputed to be one of the toughest, hard-hitting teams in the league. Despite the team's 5-4 record, they were only twenty points away from the Championship.

Waltham experienced a first when the team traveled to Norwood for the only night game in the history of WHS football. Don Place's two touchdowns led the team to its first victory.

The most frustrating game was lost to the Superbowl contender North Quincy in overtime, by three points.

The effort put forth by the team brought to a close another successful season of WHS football.

Fall Festival

In November of this year the Fall Festival activities were held. The queen and her two attendants were chosen at a rally in the boys' gym. Nancy Mula was crowned as the queen, Tina Treggiari was her junior attendant, and Stacey Gallagher was the sophomore choice. The next day a victory dance was held in the cafeteria and the band, White Ash, provided entertainment.

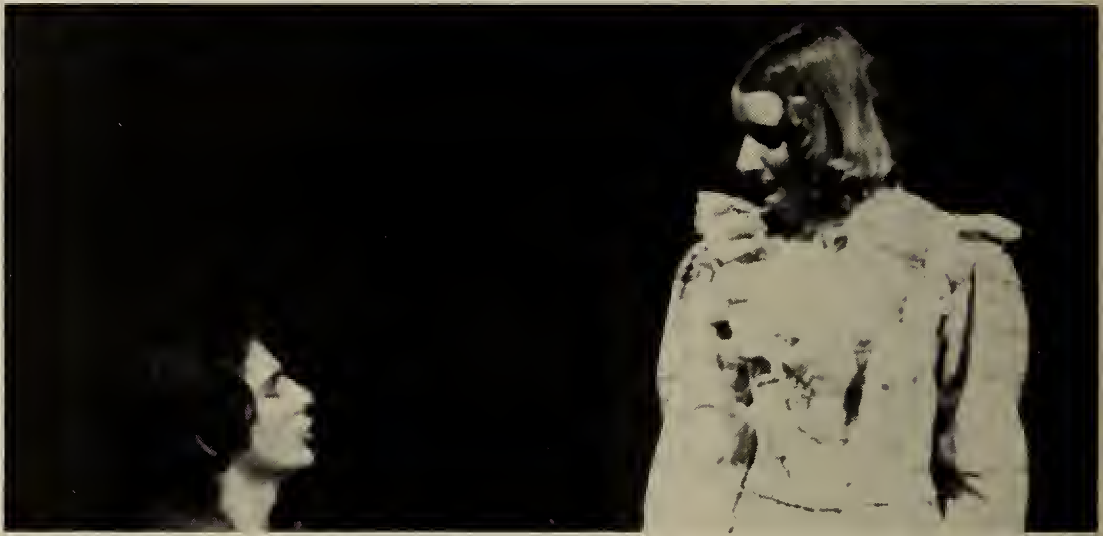
Theatre Arts



The aim of the Theatre Arts Experimental Theatre Program is to give students the opportunity to experiment with different aspects of drama and the stage. The many presentations this year ranged from a Reader's Theatre Show to An Evening of Dance, to A Woman's Show.

The students are encouraged to work with lights, costumes, and makeup, as well as participating in the performances. The program has been very successful, and hopefully will remain so in providing students with an introduction to the theatre.

Girls' Swimming

The second season for the Girls' Swim Team proved to be much more successful than their first. The girls tripled their number of wins and finished with a 3-6 record.

Congratulations are due to Coach Baker and the team for their sixth place finish in the league meet. Both Mimi McBride and Priscilla Olson finished ninth place in the 50 and 200 yard freestyles, respectively. Janet Doherty finished sixth place in the butterfly and Janice Casella finished third in diving. Janet and Janice both went on to compete in the State meet.

Much success is in sight for next year's Girls' Swim Team.

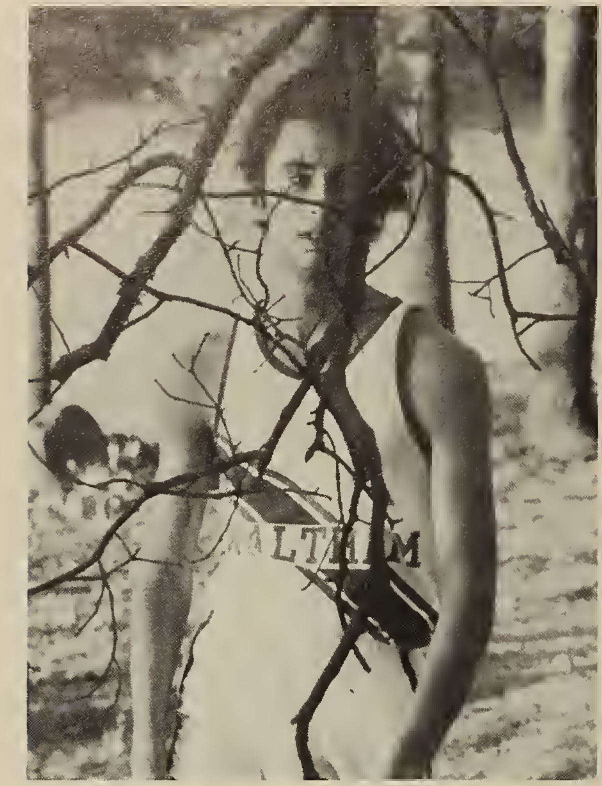
Cross-Country



Facing one of the toughest schedules in seventeen years, the Cross-Country team was put to the test. Running Varsity on this year's team and representing the class of '76 was Jon Meliones, a Tom Hicks award winner, Captain Ray Cusano, and Ed Finnell. Other seniors included Tom Cronin, Eric Steinberg, Gary Tanashian, and Tom Banks. The team was largely assisted by a group of sophomores, Joe Orlando, Brian Regan, Jon Adams, and Don Gibbs. The team concluded its season with a 3-6 record and placed fourth in the Suburban League Championships.

ROW 1: Brian Regan, Ed Finell, Joe Orlando, Don Gibbs, Jon Meliones, Captain Ray Cusano, Nick Powers, Doug Olney, Mark LaForest. ROW 2: Coach J. Lee Gould, Mike LaRosa, Pete Connlly, Fred Bryson, Nick Diciaccio, Gary Tanashian, Tom Cronin, Chuck Keyes, Eric Steinberg, Vitor Pereira, John Olney, Managers Ann Powers and Rosemary Casey.

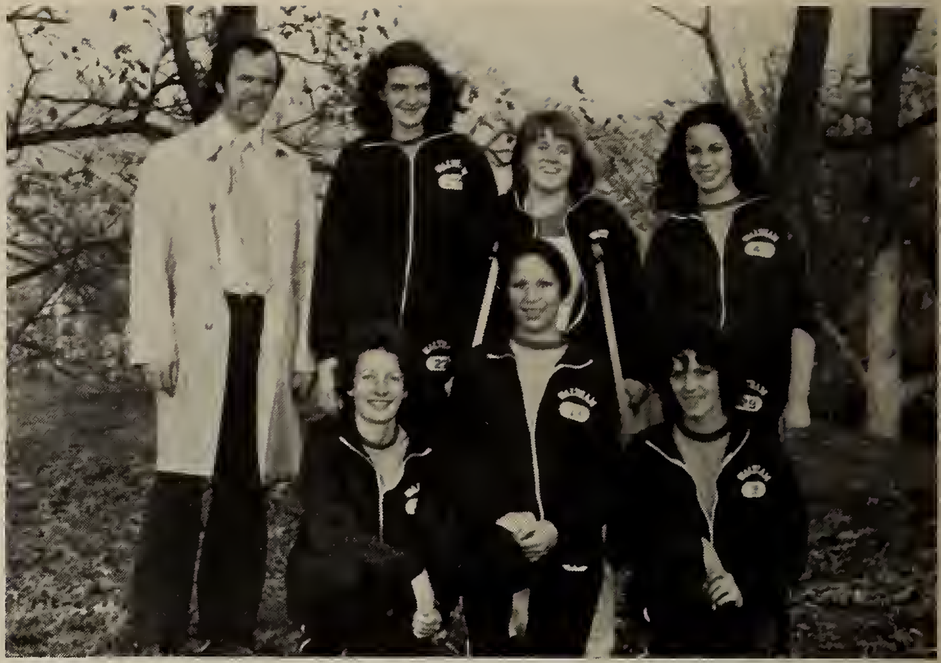
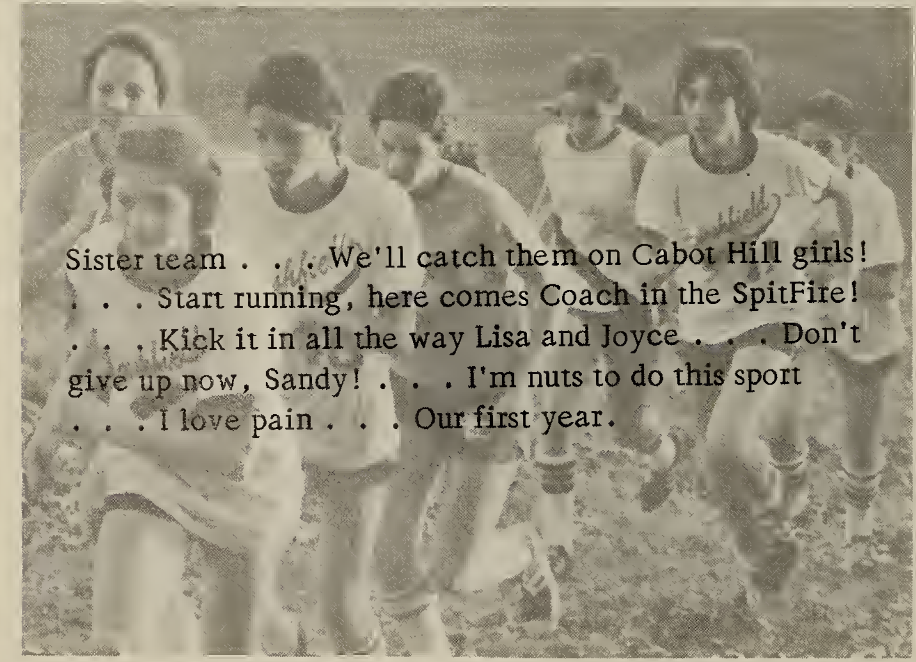
Girls' Cross Country

The 1976 season was one of much learning for the members of the Girls' Cross Country Track Team, for it was the first year WHS had such a team. The team can easily be referred to as a sister team because within the six members there were three Bizzozeros and two Aldred sisters. Karen Aldred and Valerie Bizzozero should be congratulated for finishing 13th and 76th respectively in the State meet.

Even though the Girls' Cross Country Track Team only had one win to six losses, the girls deserve much recognition and praise for overcoming the obstacles that a first year team is faced with. These girls should be commended for bringing a future in the sport of Girls' Cross Country Track to WHS.



ROW I: Karen Aldred, Joyce Bizzozero, Valerie Bizzozero. ROW II: Coach Lawrence Enos, Sandra Aldred, Chris Moynihan, Lisa Bizzozero.



Sister team . . . We'll catch them on Cabot Hill girls! . . . Start running, here comes Coach in the SpitFire! . . . Kick it in all the way Lisa and Joyce . . . Don't give up now, Sandy! . . . I'm nuts to do this sport . . . I love pain . . . Our first year.

Soccer '75-'76

Waltham High Soccer was on the move this year with its best season ever. The effort by the students of both the Varsity Squad (7-8-3) and the Junior Varsity Squad (8-6-4) made this season the best in soccer history at W.H.S.

Despite the loss of Dominic Dominjanni, excellent performances from Tri-Captains John Generoso, Joe Carle and Jim Baillio, together with the senior members of the team helped to make the season successful and provided the ground work and attitudes for future seasons..

The 1975-1976 Varsity Basketball Team was a success story in itself. With none of the starters returning from last year's squad, Coach Sorin expected problems, but instead he received a tournament berth. The W.H.S. Basketball Team became one of the only three Suburban League Teams to make the Eastern Mass. Tournament.

Coach Len Sorin should be credited with drilling his team, equipped with talent, dedication, and the will to win, into a top notch outfit.

The starting team consisted of Suburban League All Stars Jim Nocera, and Don Place, with Joe Carle, John Generoso, and Ray Russo rounding out the squad. Reserves Randy Hayes and Glen Cormier typified the team's personality by continually coming off the bench and giving all-star performances.

Highlights of the season were the election of Jim Nocera and John Generoso as Co-Captains; beating Somerville High twice, which a W.H.S. club has not accomplished in more than twenty years; and a berth in the Eastern Mass. Tournament.

Relay Team

Waltham Track had a successful season and can be credited with a hard working team and a lot of very good individual efforts. Fine performances by sophomores John Adams and Brian Regan added to junior efforts by Chris Moran, Doug Olney and Nick Powers that helped to make a strong team. Senior sprinters pulled through most of the meets with great efforts from Tom Banks, Bob Gross, Ed Finnell, Gary Tanashian, Mike Reynolds and Steve Corcoran. The State meet was well represented this year with seven boys making it into the semi-finals and five placing. Both Coaches can be complimented for their dedication and help throughout the season.

Girls' Gymnastics

This year's Girls' Gymnastics Team, led by co-captains Lynne Scott and Linda Rheaume, finished the season with a fine 3-5 record. The tone of the season was set in the girls first match when they narrowly defeated Belmont by less than a point. Unfortunately, during the rest of the season the luck went to the other team on three separate occasions, for Waltham was the one to lose by a small margin.

The season ended with the League Championships in which Waltham placed sixth. Lynne Scott was outstanding in the balance beam competition with a third place finish. She placed fifth in all-round competition. Linda Rheaume also did well by placing eighth in the vaulting competition.

Waltham may look forward to another excellent gymnastics team next year with the return of all but two members of this year's team.

ROW I: Coach Marialana Georges, Dotty Pappas, Tina Mirabile, Kim Foskin, Asst. Coach Larry White. ROW II: Cheryl Goodrich, Wendy Auccin, Nina Attardo, Theresa Rheaume, Genenne Walsh. ROW III: Co-captains Lynne Scott and Linda Rheaume. ABSENT: Bonnie Oulette.

This year's Waltham High Swim Team compiled a 4-5 record. With a team of eleven swimmers, Waltham was against much larger teams. Despite this handicap, Waltham finished fourth in a tough Suburban League. During the season, the following records were broken: Curt O'Hara, a junior, broke the record in the 500 yard Freestyle, Charlie O'Brien, a sophomore, broke the record in the 100 yard Breastroke, and the relay team of Dan Anthony, Charlie O'Brien, Curt O'Hara and Jon Meliones, broke the 200 yard medley relay record. Seniors Sean McGuillicuty and Brian Doyle were also important point winners. With the return of Co-captains Biff O'Hara and Dan Anthony, Coach Donahue has high hopes for next season.

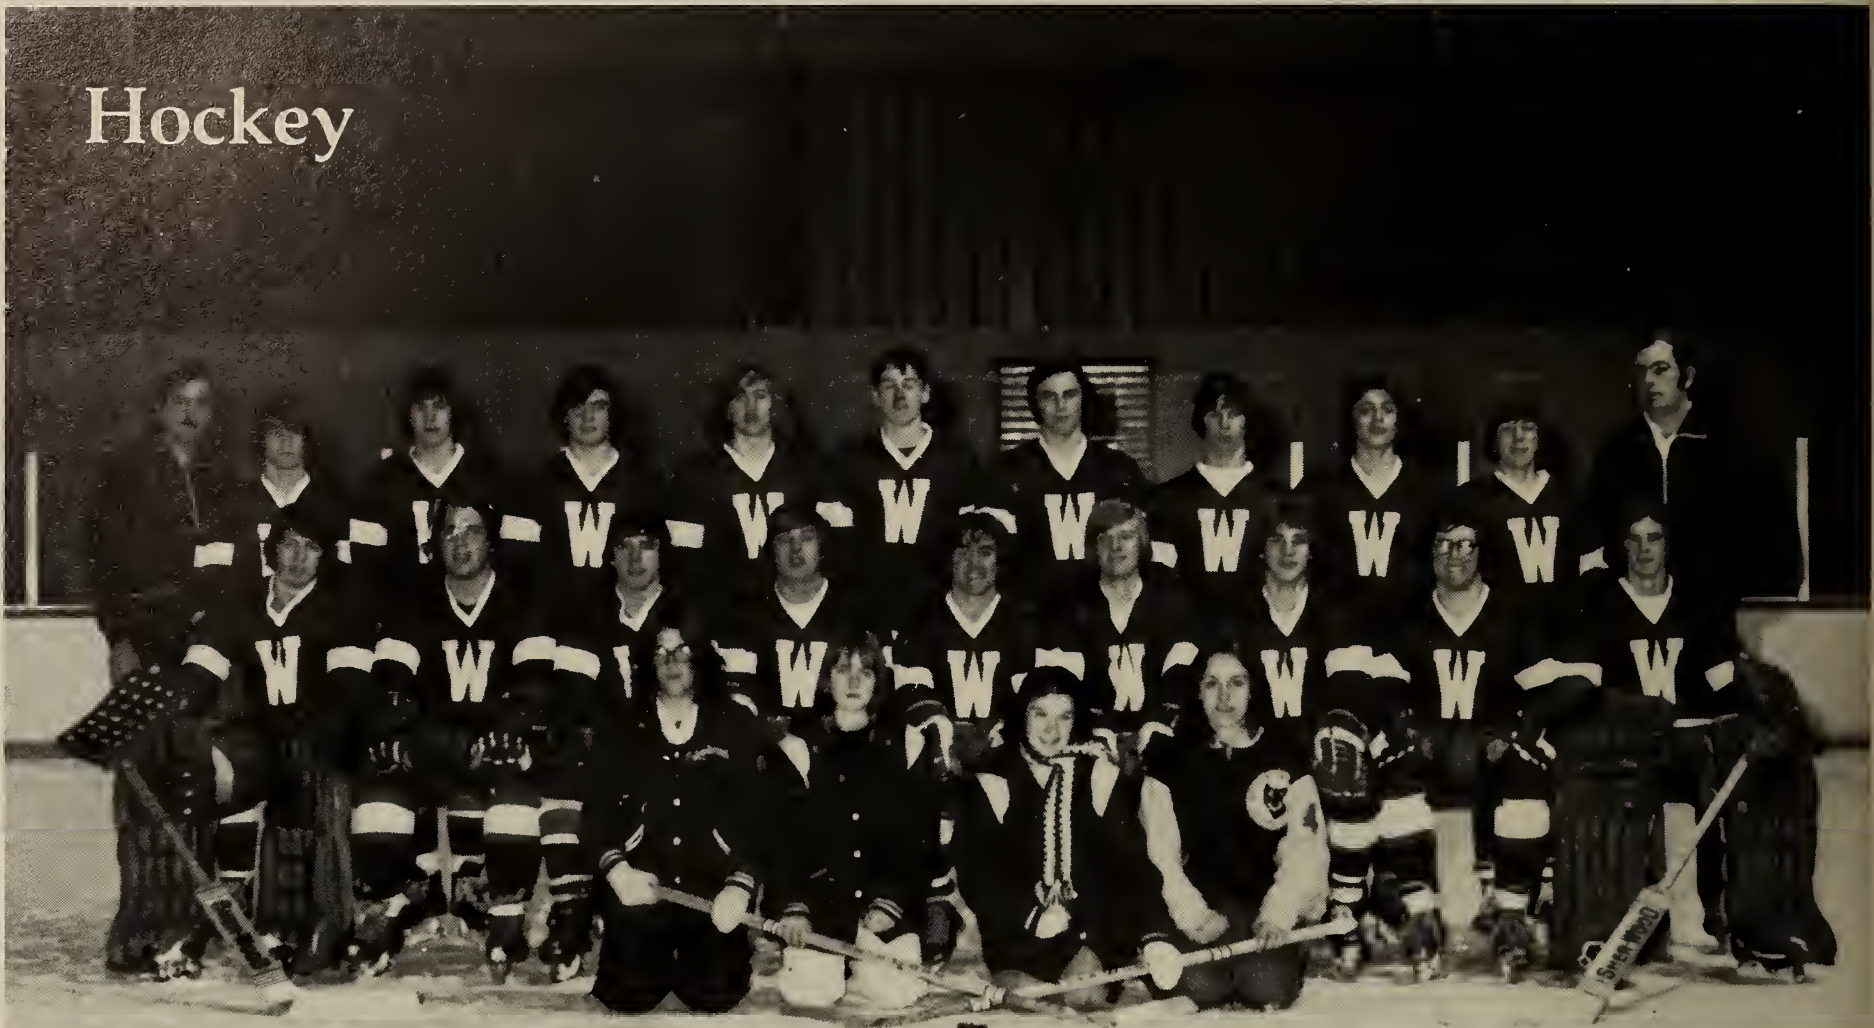
Celebration

On the evenings of March 26, 29, and 31, the W.H.S. Concert Choir, under the direction of Mr. Peter Kennedy, and the W.H.S. Band, under the direction of Mr. Thomas Ferante, staged the production of "Celebration," a musical tribute of America.

The show, in honor of the Bicentennial, was comprised of American folk songs, patriotic music, humorous tunes, and jazz pieces. Also included were creative dances choreographed by Ms. Karen Demauro and Ms. Jodi Mangini.

"Celebration" provided an evening of entertainment and enjoyment for all.

Hockey



FIRST ROW: Leda Babin, Chris Moynilan, Kate McQuad, Sue James. SECOND ROW: Tom Ledger, Paul Daigle, Brian McPherson, Bob O'Brian, Tim Kelly, Lester McKenzie, Steve Daigle, Bob Cusick, Mike McNamara. THIRD ROW: Coach Doyle, Joe Dudek, Chuck Surrette, Tom McInnis, Preston Boudreau, Dick Collins, Steve Clark, Tom Alarand, Tom Doudy, John McGuire, Coach Yetten.

The Hockey Season ended with a fairly successful record for first year head coach Peter Yetten and his players. The team, led by Captain Bob O'Brien, turned the trick six times with big wins over arch-rival Newton and a powerful Weymouth South sextet. Although handicapped by inexperience, they managed to skillfully compete in a strong Suburban League.

Coach Yetten sees a brighter future for Waltham Hockey, as he welcomes a host of talented underclassmen to his next year's squad.

*Suburban League (6-1)

"The most rewarding dual meet season in the history of Waltham Wrestling" is the way Coach Passarini describes the 1975-76 wrestling season.

The bicentennial wrestling campaign earned thirteen victories and a share of the Suburban League Championship. The team's "most valuable" wrestler was John Mallin. The teams "most outstanding" wrestler was junior Gregg Schoener. Both of these athletes broke Fred Smerlas' team point record of eight points.

Stunning upset victories over Newton North, Defending New England Champ Lowell, and Bay State Champ Framingham North highlighted the season.

All Suburban League honors were earned by five Waltham wrestlers. The "One Two Punch" of Gregg Schoener and Tony Lombardo. Al Texiera and Co-Capt. Bruce Carr held first team position, and Co-Capt. John Mallin earned second team. John was also a District Champion.

With nine of the twelve starters returning the future of Waltham wrestling looks bright.

Girls' Basketball

This year's Girls' Basketball Team experienced not only moments of happiness, but also moments of frustration. After a slow start, losing 4 of their first 6, the girls came on to win 3 in a row. The second half of the season was highlighted by the excellent game with Brockton and the near upset of undefeated Cambridge Latin. The scoring talents of co-captains Marianne Corbett (133 pts.) and Paula Allia (116 pts.) backed by a strong defense was the key to the team's success. The Varsity and Junior Varsity teams finished the season with the misleading records of 7-9 and 8-8, respectively. This is not the end, but only the beginning for girl's basketball, thanks to Mr. Connors who has started a whole new program for girls at Waltham High.

Gloria

On March 7, the W.H.S. Chorus performed Vivaldi's ''Gloria.'' The Boy's and Girl's Glee Clubs as well as the Concert Choir, also performed selections from ''Frostianna,'' a series of poems by Robert Frost.

An all day rehearsal and a dance preceded the concert which began at 8:00. Several professional musicians accompanied the chorus in its successful rendition of ''Gloria.''

This year the Waltham Rifle Team had the highest League average. Although at times there were not enough members for some matches, the team members present always came through with needed points. Disadvantaged by the number of members, the team was only able to take second place in the League.

Chamonix, France
February 13-22

On February 13, 1976 a group of 35 students with faculty advisor, Mr. James McDonnell, left Boston for an eight day ski spree in Chamonix, France. Two feet of fresh powder greeted the group on their arrival in Chamonix and made for excellent skiing through the entire week. This was the third annual European Ski Spree for Waltham High. The first was Innsbruck, Austria and the second was Cervinia, Italy. Plans for next year's trip are Zell Am See, Austria, Borneo, Italy or Colorado.

On March 12-14 the ski club, chaperoned by Mr. and Mrs. James McDonnell, held its second annual weekend trip to Montreal. The group stayed and skied at Mount Sutton in Quebec. The first day was rainy but was saved by a trip to the city of Montreal to see the Boston Bruins play against the Montreal Canadians at the Forum. The ski conditions were excellent by the second day, and plans have been made for a similar trip next year.

Girls' Tennis

This year may be classified as a building year for the Girls' Tennis team. Even though the girls only won two of eleven matches, valuable experience was gained by the younger members of the team. Most people with a knowledge of tennis realize that success comes with experience. It is for this reason that next year's team is sure to have a fine season.

The Tennis Team completed a very successful season this year. The team was invited to the Massachusetts State Tournament where they were defeated by a strong Wellesley team.

Franco Davoli deserves special recognition for his successful season. The number one single player was extraordinary in all varsity matches. He personally led the team to a rewarding year.

Softball

Girls' Softball has always been successful at Waltham High School and this year was no exception. The Varsity team posted a 12-5 record while the Junior Varsity finished the season with a 12-4 record. One game too many in the loss column made the Varsity girls ineligible to participate in the State Tournament.

Like past years, this year's teams did not revolve around a few talented players. The girls' success may be attributed to the teamwork which developed as a result of the equal contributions from every member. This teamwork, along with the success which accompanies it, is sure to be seen in two more fine Girls' Softball teams next year.

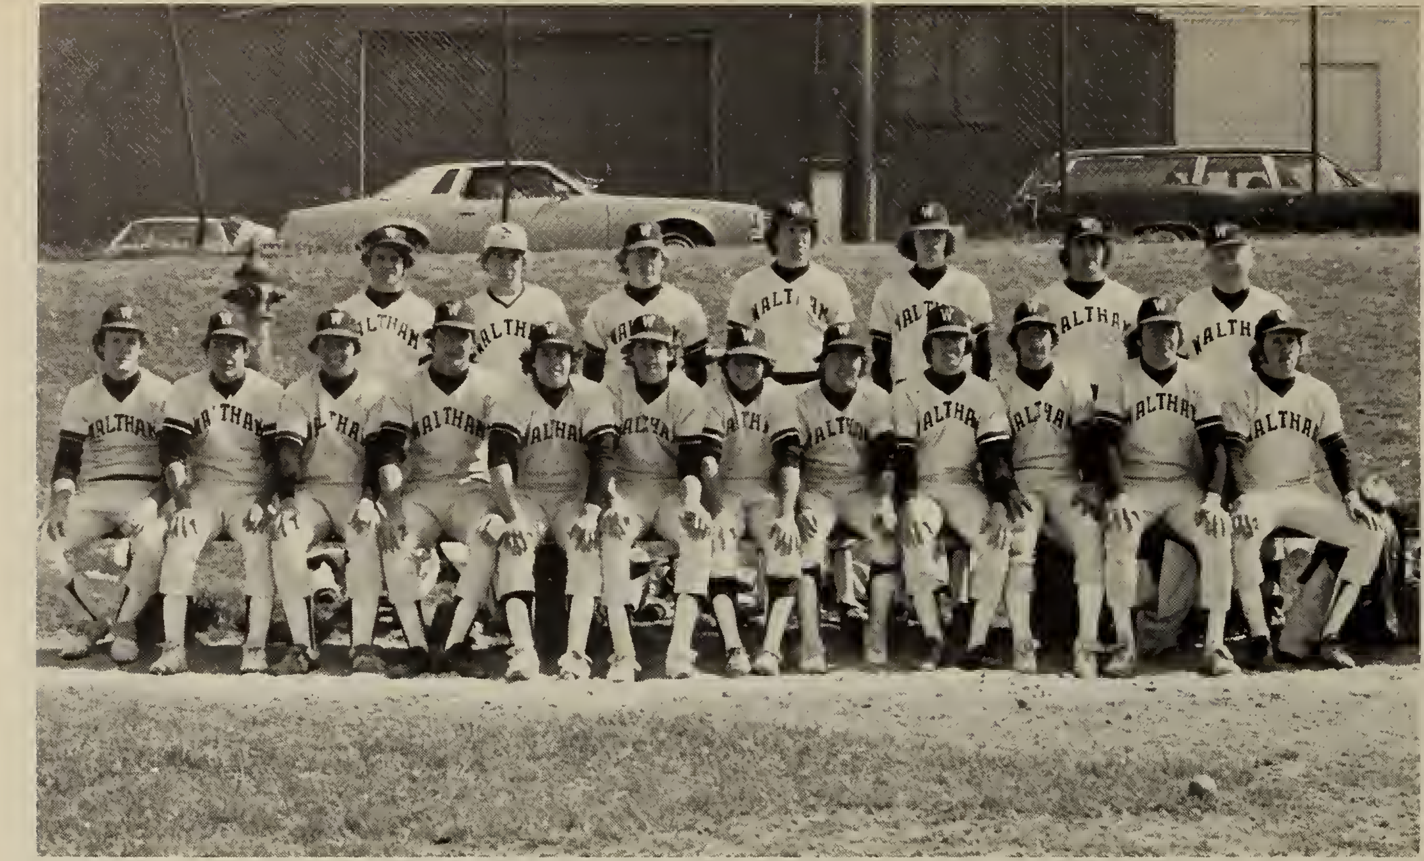
Baseball Team

The 1976 Baseball season proved to be a great success when at its close the team had achieved the title of Suburban League Co-Champs. They entered the Tournament against a tough team from Malden, and were only narrowly defeated by a score of 3-2.

Outstanding contributions from seniors Mike Gaudet and Billy Hart and junior Dave Valdanbrini earned players positions on the All-Star Team.

Despite pre-season fears, the team finished with a winning season thanks to the hard work and efforts of the players and their coaches.



ROW I: Don Place, Jim Graziosi, Brian Quirk, Bob Langley, John O'Toole, Jim Nocera, Ray Russo, Scott Coleman, Bill Hart, Joe Ottaviano, Mike Gaudet, Paul Scafidi. ROW II: Steve Algeri, Steve O'Neil, Tom Lorette, Del Gokey, Joe Loynd, Dave Valdanbrini, Coach Ray Yetten.

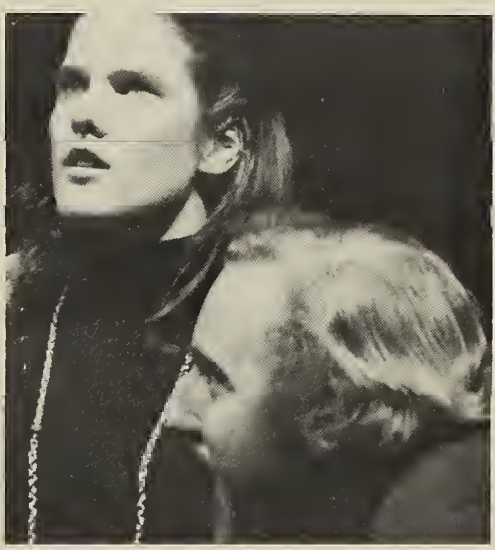
New England Drama Festival



In past years this place in the yearbook was reserved for Waltham's achievements in the Mass. Drama Festival and thanks to Boston College High School four Waltham girls had the chance to put it to good use. W.H.S.'s not entering the drama festival could not keep Waltham completely out. Receiving acting awards in the All-State and All Star Cast awards in The New England Drama Festival were Jill Lashway, Judi Anastasi, Linda Cottone, and Laura LeBlanc. The play, "SIN!" was chosen to represent Massachusetts in The New England Drama Festival where they were rated excellent. Waltham would like to thank B.C. High School for giving these girls the chance to enter the festival as well as meet some really great people.

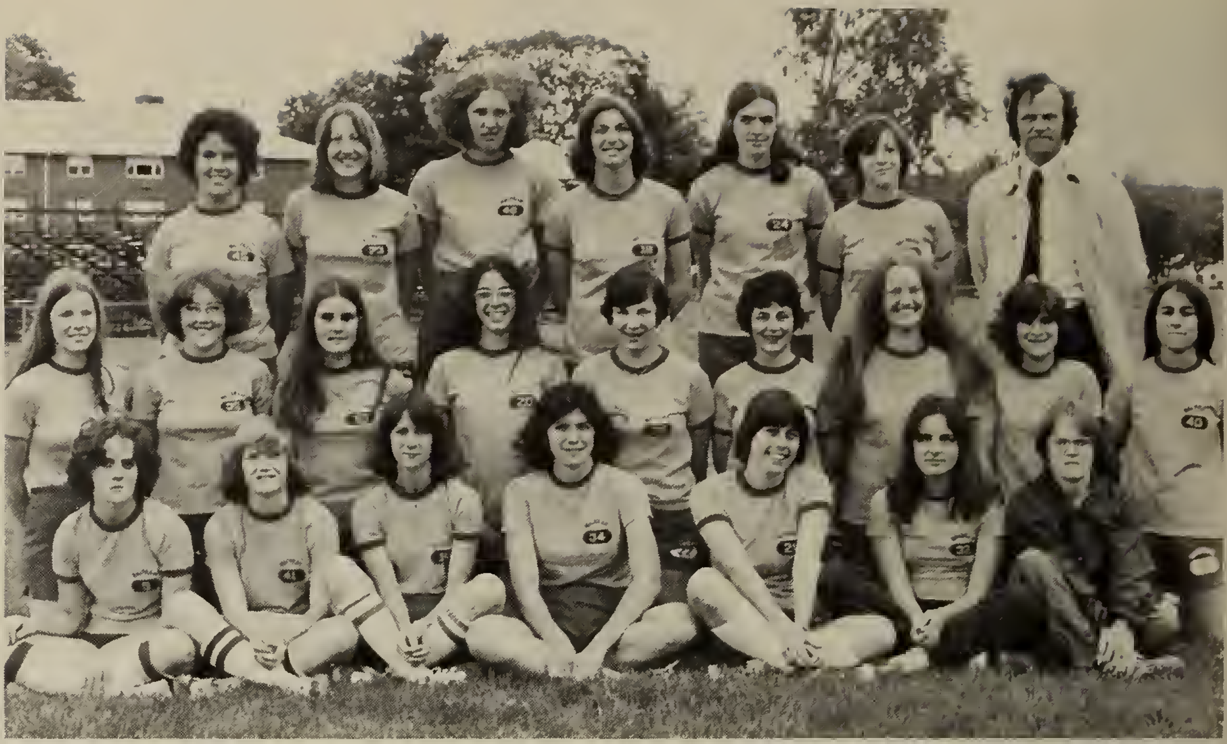
Bermuda
'76

This year during the week of April 16-23 Waltham High held its fourth annual trip to Bermuda. Led by faculty advisor, Mr. James McDonnell, the group of 120 students arrived on a Friday morning and stayed at the Bermudiana Hotel. The entire group enjoyed good weather, food, and fun. Some of the activities available to the students in Bermuda were swimming, bike riding, tennis, cruises, shopping, cookouts, dances, and night clubbing. The week ended with a group party at the Zodiac Palace. After a slight delay at the airport the following day, the group was finally flown back to Waltham.

Girls' Track

Although the team managed only one win this year, the season was a marked improvement over last year's. The talents of the girls were best seen at the All Suburban League Meet. At this event Marianne Corbett finished first in the 440, Karen Aldred fifth in the 880, and the relay team placed fourth. Marianne Corbett went on to place second in the 440 at the Regional State Trials and sixth as Waltham's first girl competitor in the All-State competition.

The Girls' Track team may look forward to next year's season with much optimism because its size, experience, and talents have all increased greatly.



ROW I: Jane Kelley, Ann Powers, Tri-Captain Patricia Carney, Tri-Captain Marianne Corbett, Elizabeth Hill, Lucil D'Angio, Margie Faulstich. ROW II: "Mimi" McBride, Cindy Awiszus, Martina Calnan, Mary Caban, Nancy Corcoran, Linda Cetrano, Carol Corcoran, Karen Cincotta, Terry McCarthy. ROW III: Sara O'Brien, Joyce Brockway, Cynthia Kiley, Geraldine Orifice, Sandra Aldred, Sandra Hynes, Coach Lawrence Enos. MISSING: Tri-Captain Karen Aldred, Linda Barden, Mary Duddy, Lynne Dunbrack.

"DO YOU KNOW WHERE YOU'RE GOING TO"

Do you like the things that life is showing you
Where are you going to
Do you know where you're going to
Do you know

Do you care what your hoping for
When you look behind you there's no open doors
What are you hoping for
Do you know

Once we were standing still in time, chasing the
fantasies that filled our minds
You knew how I loved you but my spirit was free laughing
at the questions that you once asked of me

Now, looking back at all you've had
We let so many dreams just slip through our hands
Why must we wait so long before we see,
How sad the answers to those questions can be

Do you get what you're hoping for when you
look behind you there's no open door, what are
you hoping for, Do You Know

Foreign Language Department

The Foreign Language Department offers the student at Waltham High an excellent program in which to learn and develop listening, reading, speaking, and writing skills in French, German, Italian, Latin, and Spanish. The Department has a fine language laboratory used on a regular basis to help students acquire greater proficiency in listening and speaking. Also the student is introduced to the culture and style of the foreign country through films, slides, tapes, books, and class discussions.

Guidance

Mrs. Catherine Boeglin, secretary, Mrs. Lucille Cooper, secretary

On entrance to Waltham Senior High School, each new student is assigned a personal counselor who is available for three years to assist and guide the student in proper decision-making relative to his/her personal and academic development.

The Guidance Counseling Services are a support to the individual learning adjustment of our students and alert to career, vocational and occupational planning.

The Industrial Arts Department, through various courses is an introduction to occupational experiences. The student is offered excellent instruction in Electricity and Electronics, General Metals, Power Mechanics, Technical Drawing and Woodworking. Each of these subjects is designed to further aid the student in a better understanding of the world we live in.

Library

Mrs. Ester Wiley, Mr. Herrick Harkins, Mrs. Lotte Bluestein.

The Waltham High School Media Center is a laboratory for research and study. Students learn to work alone and in groups under the guidance and with the instruction of the media specialists. The media specialists attempt to contribute to the growth and development of students in independent thinking, in ability to study effectively and in the acquisition of desirable attitudes toward reading, other media of communication, and all learning and research.

All modern industrial societies require a certain segment of its population to be highly trained in Math/Science and the remainder at least mathematically literate. The Philosophy of the Mathematics Department is governed by its function which, in essence, is to see that every student has the opportunity to enter the work-force at the level indicated by his ability and interests.

Here in Waltham, Math, though an elective subject, is taken by 80% of the school population. The Math Dept., therefore, must offer a wide variety of courses to meet the needs of such a broad spectrum.

The array of Math courses now offered, which more than adequately meet the present needs of students, are the result of past experimentation. A Math program which is adequate, or even excellent by present standards, may not suffice for the future.

Music Department

Mr. Thomas Ferrante, Mrs. Erica Boras, Mr. Peter Kennedy, Mr. Thomas Dumas; Department Head.

The Music Department at Waltham High School presents the student with a wide variety of means to study and learn music form and style. Students interested in Band and Chorus participate in concerts, assembly programs, marching activities, and community functions. These courses introduce the student to all styles of the finest in musical literature. Students also have the opportunity to study the Theory of music - which involves the study of scales, intervals, modulation and altered chords, hormonization of melodies, ear training and music dictation.

Physical Education

Miss Helen Castros, Mr. Peter Dexter, Miss Claire Nolan; Department Head, Miss Kathryn Kouray, Mrs. Geraldine Baker, Mr. Steve Uno, Mrs. Isabell Allan, Mr. Leonard Sorin, Mr. Henry Woronicz, Mrs. Nina Skavenski, Mr. Clifford Poirier.

Reading Department

Mr. Barry Gretsky, Mr. Paul Cerqua; Department Head, Mr. John Carroll.

The reading program is offered to all students having classes that range from remedial to college level.

Pupils may enroll on a voluntary basis and work on an individually planned program according to their specific needs. These needs are determined by means of a series of diagnostic tests. The pupils then receive individualized instruction to attempt to bring their reading level up to full potential.

Instructions are offered in the following areas: word attack, vocabulary, comprehension, study skills, speed reading, spelling and improving work habits.

As the years pass, more students are participating in the reading program indicating its popularity. We are convinced that reading is an essential feature of the high school curriculum. Continued growth, appreciation and participation in future years is anticipated.

Science Department

SEATED: Mr. Jerry Nelson, Mr. Steve Grant, Dr. Alan Aymes; Department Head, Mr. Elwood Streeter, Mr. Richard McKnight. STANDING: Mrs. Karen Robinson, Mrs. Carol Graceffa, Mrs. Barbara Hantman, Mrs. Barbara Cappucci, Miss Eve Coppell, Miss Patricia Gladys, Miss Mary Overman.

The Science Program at Waltham High is designed to accommodate both college-bound and non-college-bound students. The rich variety of courses in biology, chemistry, physics, and earth science provides not only the necessary science background to function intelligently in a technologically oriented society, but also a sophisticated departure point for those students wishing to pursue science and science-related careers. To implement the program, the High School has some extraordinary physical facilities - e.g., the planetarium, the plant and animal room, the photography lab, and the recently established marine biology lab. The program's greatest asset, however, is its staff - a group of eighteen expert teachers, dedicated to making science a meaningful and interesting subject to all students.

Social Studies Department

The Social Studies Department sees its role as involving the student in the History of his nation and the world. The need to know the past for the present is a requirement for living. In addition the study of man, his institutions and his psyche are examined and developed in Sociology, Psychology, Government, and Economics.

Pioneer Caterers

Chef II, also known as The Pioneer Caterers, is a self-supporting class that earns its money from the large sale of pumpkin bread, in November, and the catering of refreshments for department meetings, held in high school. The Chef II curriculum requires the keeping of a cost record book and student shopping for class supplies using wholesale purchase methods whenever possible. If large amounts of money accumulate, they are kept in the school safe and earmarked for a field trip. Some money is kept on hand for purchasing needs and is the responsibility of the teacher. Monies left over in June may be left for the incoming class or used to purchase special equipment for this catering group. The class members gain members gain knowledge and practical skills required in running a small business.

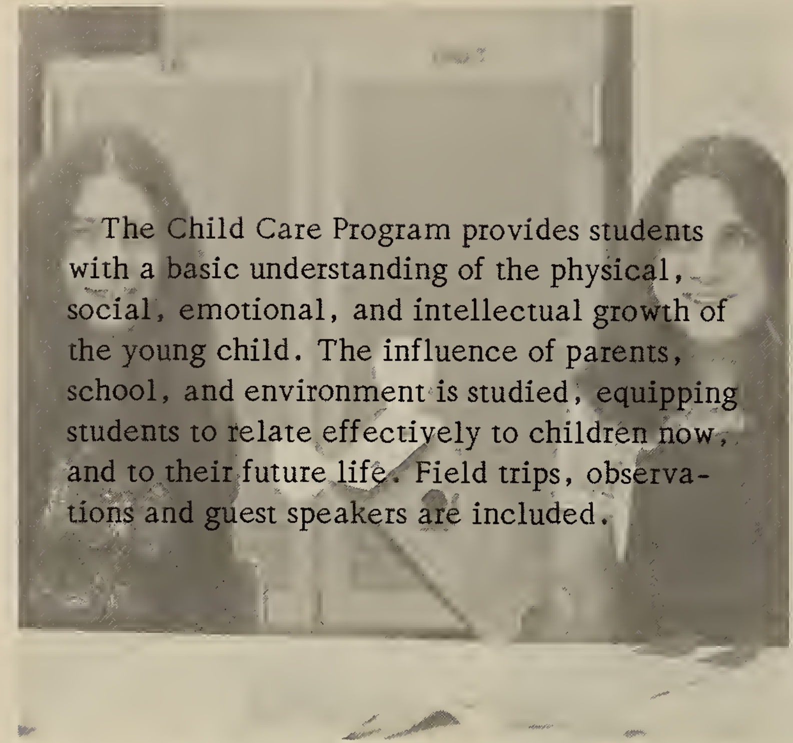
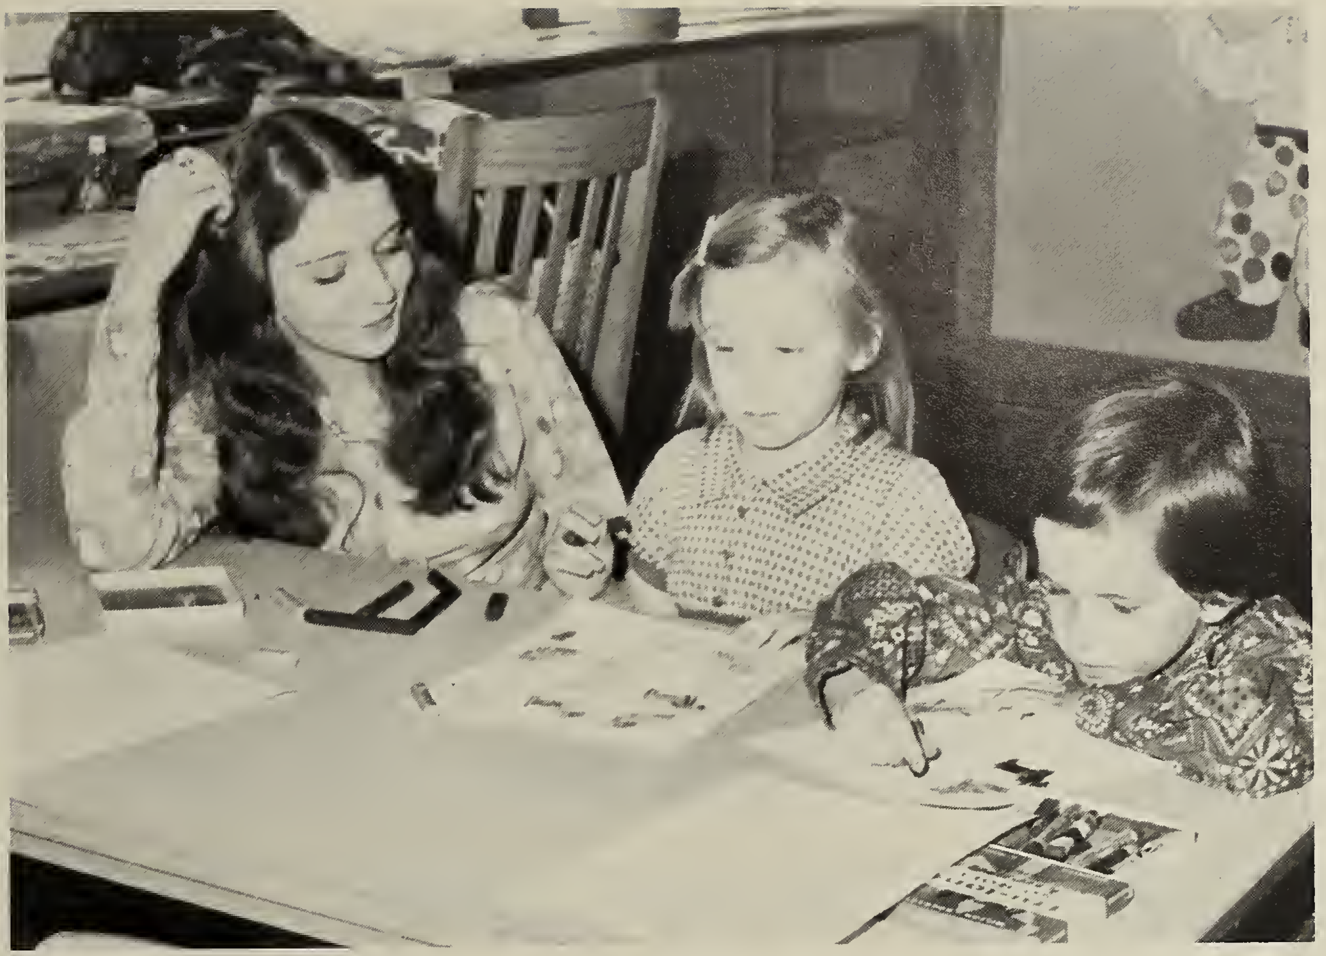
Child Care



The Child Care Program provides students with a basic understanding of the physical, social, emotional, and intellectual growth of the young child. The influence of parents, school, and environment is studied, equipping students to relate effectively to children now, and to their future life. Field trips, observations and guest speakers are included.



Health Careers

A segment of the Career Development Program which is comprised of Junior and Senior students who are interested in exploring the various careers available in the health care field.

Classroom instruction includes Health principles and Body Structure and Function. Patient care procedures are practiced in the school laboratory.

Senior students are assigned to community health agencies one morning each week. Their experience includes a general hospital, a rehabilitation hospital, a geriatric facility and a program for multi-handicapped children.

Office Occupations

The Cooperative Office Occupations Program is opened to seniors and juniors and is designed to provide the student interested in pursuing a business career with actual experience in office occupations before high school graduation.

It is a combination of office training and work experience in which the school, the student, and the businessman in the community work together in preparing the student for employment in an office occupation. This method of education places the student in an office position while he is enrolled in related training in school.

CLASS OF '76

Best wishes Class of '76,
As graduation nears;
You're standing on life's threshold,
In our Bi-Centennial Year.

Our country was once a fledgling,
With wings untried and new;
It had its doubts and questions,
As all of you must do.

Have faith in all that you have learned,
Believe in what is right;
Look forward to the future,
Always keeping peace in sight.

Our land has made a few mistakes,
Watergate is one;
But we must put these things behind us,
And do what must be done.

Tomorrow is a challenge,
It was 200 years ago;
Have the courage that your forebears had,
And make this country grow.

In this land once ruled by sea and sky,
Opportunity knows no bounds;
The ocean depths are inviting,
New galaxies may be found.

Best wishes Class of '76,
As your graduation nears;
On the birthday of your Country,
This Bi-Centennial year.

We're Offering More Than Congratulations!

DEAR GRADUATE:

CONGRATULATIONS ON YOUR SUCCESS IN HIGH SCHOOL! That's a terrific beginning, and you've got a lot to be proud of. But . . . now what? What do you do with what you know, and what you can do with your capabilities?

THIS IS A TIME OF CAREER DECISIONS, and this is where we offer you more than congratulations. We can help you think your questions through . . . and there's no obligation on your part. We've got just one question, to begin with that you might not have thought about before:

> Where can you get a very good salary for learning a job - a skill you can keep for life? (And that job may be one you never thought was a real possibility for you.)

THE ANSWER: TODAY'S ARMY. Maybe this could be a good, profitable move for you. And you should know about it. Today's Army has more good jobs to fill than anybody. Over 300 good jobs. For men, for women.

SO WE MAKE THE JOB-HUNTING EASY. And we'll even give you the training and experience you need to get the job. We've got over 200 job-training courses, taught by excellent instructors.

AND THE PAY - COMPARABLE TO CIVILIAN PAY SCALES - IS ONLY THE BEGINNING. So much more is provided: food, housing, clothes, medical and dental care. No ordinary job can offer the other things we offer. A chance to travel. Educational opportunities. Veteran's benefits. 30 days' paid vacation each year.

THAT JOB YOU LEARN CAN BECOME A CAREER IN THE ARMY. OR IN CIVILIAN LIFE. And if you're undecided about the jobs you're suited for, we can help you think. We've got jobs you never knew we had, or guessed you might be good at. We can give you professionally prepared aptitude tests (without any obligation) that may open your eyes about yourself.

YOU CAN'T LOSE ANYTHING BY FINDING OUT. About the Army. About yourself. That's what we are here for. To talk it over. To help you find out more about yourself and about the choices open to you. Give us a call anytime, or just stop in. It is something you owe yourself . . . beyond the well-deserved congratulations!

Sincerely,
Your Army Representatives

Class Poem

LISTEN

Hang tight upon your slim book of knowledge
For time unshackles words
And meanings are soon lost.

But fear not, for decay is not destruction
But merely transformation
And transformation the vehicle for growth.

Life stands as an obstacle to our infinite place
And while we are not our own
No choice exists except to endure.

Let our backs be those of oxen -
Silent and persevering
And allow that gift of inner strength
To sustain and move us.

Wind-like our passage will be
Smooth and easy - partly,
Perhaps dissonance will be a
Welcome change.
